**"They were very communicative with us in the lead up to the wedding regarding song choices and how to get people dancing. They threw in a free strobe lighting for the dancefloor for us when we told them funds were tight. Very punctual and made the DJ and dancefloor area look lovely. Great value for money and would highly recommend them to anyone looking for a DJ for any party."**

**"Lianne and Matt were absolutely perfect when it came to our wedding day on the 4th June 2016. We could not have asked for a more professional, yet personal and attentive couple to provide our wedding music and evening DJ set. Everyone commented on how fantastic the set up and the music was and how courteous Lianne and Matt were with some questionable requests from our guests! We loved every minute of our magical day and Inspired Party always went above and beyond in every respect. 5\* all the way"**

**"Inspired Party was AMAZING! I was updated when they had new products available to use. Eg. Personalised floor light and twinkle lights back drop. They made the atmosphere so romantic and picturesque. They were so polite to me and my husband and our guests were all very impressed. Also fantastic value for money. We had the cheapest package and it felt like we had won the lottery."**

**"The dancing in the evening was non-stop and we all had a brilliant time! They are a lovely couple and provided the perfect party."**

***Mrs Julie Hudson***

**"100 recommend Matt and Lianne, they were great! Very professional, great sound system and loved the rustic look, which was personalised to fit in with our wedding theme. The dance floor was packed from start to finish (always a sign of a good DJ)! Such a great service, especially meeting them before the event to talk through set up and music list. We loved how we could pick our own music, and it was such a help that they provided a microphone and lovely background music during the breakfast."**

complimented us on how amazing they both were. They were great with the kids and incredibly patient, played the best tracks from our very long playlist and arrived early to set up. Could not recommend them highly enough."

"Lianne and Matt really did help to make our wedding fantastic. From first contact until the wedding they were always so helpful and kind. The set up and lights were beautiful, the music was just what we wanted. I don't think anyone sat down all night. They were both amazing and we can't thank you enough and would recommend them to anyone. We actually had a problem with the catering team on the day, the food was delayed so both Lianne and Matt helped serve the food which was very kind."

"Excellent service, beautiful set up and friendly people. They went out of their way to help us with each detail of our wedding music, set up and dance floor. They made sure it was what we wanted even on the day (thumbs up or down to a guest's song request). ) I highly recommend them!"

*Miss Aimi Watson*

"Inspired party were brilliant from start to finish. We met a few months before the wedding so Lianne and Matt could get a feel for what we liked. I can honestly say they got it spot on. We had a vintage themed wedding and we were concerned that the DJ booth may be out of place. Lianne and Matt were very clever and disguised the booth and lighting with hessian and a wooden frame to match our theme. It looked perfect. They are both lovely people and I couldn't recommend them more."

*Mr Oliver Roden*

"Amazing couple. Couldn't have booked a better Dj, professional, personal, creative and an absolute pleasure to be part of our day. We had a few dance lessons by Lianne and Matt before the wedding day for our first song, their choreography was beautiful and helped make our day so special. They played brilliant music all night and had everybody up and dancing and couldn't do enough for us to help our day go super smoothly. So happy to have booked them."
