Matt and Lianne were brilliant from the day we booked, in the run up to the day and then on the day. Any questions were always answered quickly and nothing was ever too much. The music was better than we could have asked for - our guests hardly left the dance floor which is what we wanted. The range of music played was amazing and couldn't have suited and followed our guests requests and style any better. We loved it! The range of dj set ups to choose from was amazing as well! So much choice!

Both Lianne and Matt were so accommodating and on the evening reception Matt went above and beyond to ensure ourselves and our guests had the best time. The dance floor was never empty and the music was exactly what we wanted. The set up was perfect and matched our theme, Matt also helped make our gender reveal amazing and so special as part of our first dance. We can't thank them both enough for a truly wonderful time.

Matt and Lianne returned our emails and phone calls very promptly when initiating a booking. They visited us at home for our first meeting which was a lovely personal touch. They were very attentive to what we wanted and we cannot speak highly enough of them for their commitment to first dance rehearsals with us. Matt also stepped up to provide all the music arrangements for the church ceremony at short notice. An exceptional couple with a great work ethic.

Lianne and Matt did everything possible to help make our day perfect! Lianne consulted with us before the wedding to find out our music preferences and to discuss all the specifics. Matt was amazing on the day! He played music we loved and got everyone up dancing! He even helped with announcements with our being asked. We can't thank Matt and Lianne enough!

Inspired Party were very responsive, scheduled an intro call to understand our requests and followed through on the day. Our wedding was a mix of US and British customs, we asked for an intro of the bridal party to the dance floor and Matt went out of his way to youtube how this should be done. The music played kept all on the dance floor until the end of the night. Lighting and choice of DJ booth were also a really nice touch. We were so impressed by them and their delivery was superb.

Me and my hubby had the best wedding ever, and matt & lianne were a massive part in making that happen. They are amazing at what they do. We had great communication from start to end. And we had complete control over exactly what we wanted in terms of look, and music choice which they delivered and exceeded 110%. So happy we chose them :)!

Inspired party were amazing to have for our special day. So many people commented on how much they loved the set and the lighting. The personalised name light for the dance floor was especially loved!! As a bride, I loved how I requested a song and Matt made sure it was the next one to be played each time! Matt was fab at playing to a wide range of audiences and changed the music accordingly to whoever was on the dance floor, which was packed the whole evening!!

Automatically send an excel sheet of the wedding playlist after the wedding when following up after. We loved going through all the music we played and brought back memories we forgot about even weeks after the event.
