Matt did an amazing job at our wedding, he went beyond what we had ever hoped for. He was far from the typical dj which made our day extra special. Inspired party leading up to our wedding made sure all details were clear and nothing was too much trouble. Communication was on point, perfect for any stressed bride to be! Polite, lovely people... Wish we could get married again just to book them again!

Fantastic dj service, played exactly what we asked for, communication was easy and polite, amazing props/set up (we loved their floral dj booth and 'love' sign). They were professional and flexible at the venue. There was nothing we would have improved on, great service!

Having decided to hire a community centre for our reception we had to start from scratch in the wedding planning process. Matt and Lianne thoughtful and caring nature ensured they were always on hand with recommendations and advice and a friendly face if things were going wrong. Nothing was too much trouble. They even set up 2 days early to make it easier for us to set up the hall. It was the little touches that made a huge difference like adding sunflowers to match the theme on the DJ booth.

Inspired party really exceeded our expectations on our wedding day. They professional and courteous and we're always on hand prior to and during the evening. Matt made our day even more special by doing a first dance mix that helped us to remember my wife's late father. Well done inspired party!

We had a wonderful wedding day with beach set-up and lighting supplied by Inspired Party to suite our theme. Music was just great for the cross-generation guests. Marc played tunes during our wedding breakfast, followed by evening disco which kept us all on the floor! Everything was organised to perfection. Thanks once again.

Thank you so much for our INCREDIBLE DJ set - honestly it was just perfect!! We (I) did not stop dancing, the whole night ? Matt was amazing at reading the dance floor, playing some great songs at the right times. Some amazing memories made. THOROUGHLY recommend Inspired Party for their DJ set and props - the flames, post box and steps fitted perfectly with our theme, as did the themed DJ box. Very professional in the lead up to and on the wedding day and easy to communicate with.

Lots of different set ups to choose from to suit everyones style of wedding, ours looked lovely in our venue. Different lighting options to choose from to

suit youe colour scheme, also the option of having your name in lights on the dance floor which was a lovely personal touch. Leanne was very helpful on the phone before our wedding and giving advice to help us with our evening. Matt was also very attentive on the night to guests requests and arrived before time to set up. Thanks both, superb e

We could not have asked for more from Matt & Lianne at Inspired Party. They offer a really stylish custom DJ service - we were quite keen to have a certain look to tie in with our theme which they were more than happy to accommodate. They also offered flexibility with the set up times to fit in with our schedule on the day which was really helpful. The mix of songs were absolutely perfect - and Matt did an incredible job of judging the dance floor and mixing it up. It was absolutely perfect.

From the moment of initial enquiry to the day itself we knew we were in safe hands and that we had chosen the perfect dj. They were attentive, friendly and professional and nothing was too much trouble at all. Even down to requestung a remix of 2 songs literally 2 weeks before the wedding. Matt got involved with the guests, was unapproachable and friendly and as well as being amazing at his job he was fun to be around. The lighting was perfect, the candy cart etc, just amazing
